

Welcome to the Calvin Christian High School and Middle School Hot Lunch Program!

Our hot lunch program is managed by the Parent Organization and is run solely by parent volunteers. Our goal is to offer an affordable lunch option (**\$3.50/lunch**) that the students enjoy. Hot lunch is offered every Monday, Wednesday and Friday with a two-week menu rotation. View the menu and find corresponding links at: <http://www.gosquires.org/calvin-christian-middle-school/links-forms/>.

Each lunch includes (1) selection from options in each of the following groups:
(1) Main Entrée, (1) Fruit or Veggie, (1) Chips or Carb, (1) Beverage Options

ADD CREDITS (MONEY):

Add “credits” to student(s) hot lunch account online in set increments of \$3.50 and pay by check.

This can be done from any email account.

[MS & HS - Add “credits”](#)

USE CREDITS (INDIVIDUAL DAILY LUNCHESES):

Students/parents order individual daily hot lunches through the student GCCS gmail account on the following Google Form.

This can only be done through the student’s GCCS gmail account, not through a parent’s email account. This is also the link a student would use to cancel their order.

VIEW CREDITS (MONEY ADDED) & USAGE (INDIVIDUAL DAILY ORDERS):

Students may view their credits and usage on the following Google document. The document tells such things as daily orders, was it picked up, did they pre-order, what credits were ordered online, if a check has been applied to that order and more...

Students can view through their GCCS gmail account and parents can view only through permission granted using an email account or through their student’s GCCS gmail if they don’t have their own email access.

More detailed information is outlined once you are in each of these Google forms or sheets. Please feel free to contact me should you have any questions regarding our hot lunch program.

Mrs. (Amy) Petrlich
