### **VERSE OF THE DAY**

Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature, having escaped the corruption in the world caused by evil desires.

2 Peter 1:4 NIV

### **Reminder regarding appointments**

Parents, please remember to let the office know if your child has an appointment and will be late to school or leaving school. An email, phone call/voice mail, or hand written note is fine.

Students, please remember to sign in and out at the office.

---

**Health reminder:** Staying healthy is important to our entire school community. To help us achieve this, please remember the following recommendations to help prevent spread of disease.

- Stay home if you are sick, and advise others to do the same.
  - Always cover coughs or sneezes with a tissue or sleeve.
  - Avoid close contact with people who are sick.
  - Avoid touching your eyes, nose and mouth with unwashed hands.
  - Wash your hands often with soap and warm water for at least 20 seconds. Use an alcohol-based hand sanitizer with at least 60% alcohol if soap and warm water are not available.
  - Clean and disinfect frequently touched objects and surfaces.
- 

We especially want to thank our custodial staff who are diligently cleaning and disinfecting beyond what they normally do.
