Celebrating our Grandparents and Grandfriends:

Due to COVID-19, we had to postpone Grandparents/Grandfriends Day to the spring. So instead of being sad that we are not able to celebrate in-person, we would like to share a GCCS student and their special message each day next week about their grandparent/grandfriend.

We would also love it--if you are a grandparent/grandfriend of a child/children that attend GCCS--to share your message with us!

If you have writings and/or pictures that your students share with you, please get them to Kristi Baker, our GCCS Director of Communications and Marketing, and she will post them on our social media feeds to celebrate our Grandfriends! You can

send it to Kristi at kbaker@gccsmi.org.

BIG REMINDER! PLEASE take an extra mask to school. The office only has a limited supply.

FOUND:

- Men's Ring
- Black watch in boys' locker room

Please come to the office to claim.

A district wide directory will be emailed to parents some time this fall. If you do not want your information included in that directory, please let the office know. The directory includes: student's name, grade level, home phone, address, father's name and email, mother's name and email. This information is gathered from power school demographic information.
