Enrollment & Information Updates

An email ([link here](#)) went out regarding enrollment for 2021-2022.

We want to be sure you didn't miss it because it contained important deadlines for continuous enrollment and completing any necessary enrollment forms in PowerSchool ps.gccsmi.org

These forms in PowerSchool include your opportunity to:

- Request 2021-2022 bus transportation for K-12 students
- Update contact information
- Confirm emergency contacts and medical information
- Complete some back-to-school forms that previously were mailed to you
- Please don't hesitate to contact the GCCS Business Office (616-532-2373) with any enrollment questions or to enroll another child.

Thank you for your time and attention to these details.

8th Grade Parents!

The sign-up genius for 8th grade parent volunteers has been updated. Please follow [this link](#) to see how you can help. Thank you!

Looking to take your game to the next level this summer? Our high school PE teacher and former college basketball coach, Ben de Waal Malefyt, will be conducting basketball workouts twice a week for the months of June and July. Your child will improve on their ball handling, shooting, footwork, and all around skills during these summer workouts. Students entering 6th-8th grade from 4-5 pm. Students entering 9th-12th grade will have sessions on Tuesday's and Thursdays from 5-6 pm. Cost for the membership is \$150. There will be a total of 14 sessions beginning the week of June 7 and ending after the week of July 29 while taking the week of July 4 off. If you have any questions, please email Ben de Waal Malefyt at bdewaalmalefyt@gccsmi.org

ART CAMP at CCMS this summer

Summer Art camps are available here at CCMS!

Spontaneous Art, June 21-25, 10-noon, \$75, 12 max

What if you didn't control your art but the media of art controlled you? We'll be exploring different ways of using paint, such as splatter, washes and pouring, and also discover how gelli plate printmaking can be a fun way to make unique images,

too. Students will go home with several finished projects.

3-D Art, July 26-30, 10-noon, \$75, 12 max

Explore the world of 3 dimensional art by using wire, air-dry clay, and paper toweling! Thinking in 3-D uses a different part of your brain dealing with spatial concepts. Try some different media that helps you think "in the round"!
