The Essential 10

Welcome to the 2021-22 Daily Announcements from the Middle School.

This email goes out to parents of middle school students and to middle school students. The student version will not always be exactly the same (i.e. information about a parent meeting will only be in the parent version). The announcements are also posted on the bulletin board outside the office.

Office Highlights:

(These are also in your summer newsletter)

School Absences and Appointments-

If your student has an appointment/needs to leave school please call or email the middle school office (616-531-7400, msoffice@gccsmi.org) to let us know. Your student must check out at the office if they are leaving school due to illness or an appointment, and check in when they arrive at school after an appointment. They should also check in at the office if they arrive late to school for any reason (illness, appointment, tardy, etc.)

Parents -

You do not have to come in to sign your child out, they may do it themselves provided we have heard from you about the appointment. If a student is leaving with an older sibling, we must hear from you so that we know it is parent approved.

Similarly, if your family has a planned vacation, please let the office know the dates your child will be missing school. Your student should contact their teachers regarding schoolwork.

Water Bottles -

Please be sure to bring a LABELED water bottle to school!

Parents, looking for a way to bless the teachers here at CCMS?
