### Middle School Hispanic Festival

**Parents:** If you were born in, or have heritage of, a Spanish speaking country, students of the Immersion Spanish program would like to invite you to participate with us in our Hispanic Festival that we will be hosting in the middle school on Friday, October 1st.

Our students are working in groups researching an assigned Spanish speaking country. For the festival, they are choosing to display a sample of traditional food, a traditional game or perform a traditional dance. We would love it if you could join the group that is researching your home country to enrich their display.

If you are willing to participate please contact [Maestra Brown](#) or [Maestra Hoffman](#) for details.

Thank you for supporting a better learning experience for our students!
