8th grade parents

We are looking to form a committee for the 8th grade banquet at the end of the year. If you are interested in serving on this committee, please contact the office at msoffice@gccsmi.org The school provides the meal and a short program, and a

parent committee plans an after party (held at the same location). Let us know if you'd like to participate in the planning!

Back To School Night Tomorrow!

We are excited for you to join us Thursday, September 9, 6:30 – 8:30 pm. for our Back-to-School Night. This night, for **parents only**, will give you the opportunity to go back-to-school, go through your child(ren)'s schedule and learn from each teacher a bit about the amazing things your child is learning in each course they are taking this year.

Hot Lunch

1.) All lunches are FREE this year! Your account will only be charged if your student gets just a milk (.40 cents) or an extra entree. (see memo below.)

2.) Menu Items are subject to change. We will do our best to notify you a day before any changes for the following day. Due to supplier outages, this year has been a challenge already! But we are working hard to offer the best choices.

3.) If you have any questions or concerns, you may contact Whitney TeBos at 616-254-6404 or wtebos@gpsbulldogs.org

Please note that if your student orders an extra meal, a la carte Items, or just a milk, these items will be charged to their Lunch Account. You will receive an email soon from Grandville Public with a unique student ID to set it up (probably from Whitney TeBos at GPS). This allows you to preload dollars to be used for additional items purchased in 2021-2022.

Middle School Hispanic Festival

Parents: If you were born in, or have heritage of, a Spanish speaking country, students of the Immersion Spanish program would like to invite you to participate with us in our Hispanic Festival that we will be hosting in the middle school on Friday, October 1st.

Our students are working in groups researching an assigned Spanish speaking country. For the festival, they are choosing to display a sample of traditional food, a traditional game or perform a traditional dance. We would love it if you could join the group that is researching your home country to enrich their display.

If you are willing to participate please contact [Maestra Brown](#) or [Maestra Hoffman](#) for details.

Thank you for supporting a better learning experience for our students!
