Worship Fully

"Ascribe to the Lord the glory due His name; worship the Lord in the splendor of His holiness." Psalm 29:2

CCMS WEEKLY ANNOUNCEMENTS FOR 5/25/23

Verse of the Week

"Love one another with brotherly affection. Outdo one another in showing honor." Romans 12:10

We will bid farewell to the 2022-2023 school year in a little over a week. I wanted to take a moment and thank you and your family for your commitment over the past year to providing your child with a Christ-centered education and for choosing CCMS to partner with to do so.

From my seat, it's a joy to watch students grow up over their middle school years and see who God is creating them to be. It's always my prayer that these students know they are made in God's image, loved by their Creator, and have a life's purpose to serve Him. To our 8th-grade families, thank you for sharing your child with us. We wish them nothing but the best as they move on to their high school years. To our 6th and 7th-grade families, we look forward to welcoming your child back to school in August.

This year our school theme has been Worship Fully. We've learned that this doesn't just happen in a church on Sunday morning, but rather is a reflection of how we are supposed to live our lives. We are called to live our lives as an expression of worship for our Heavenly Father. As your family goes throughout this summer, I hope you continue to worship fully in all that you do.

In Christ,
Jason Folkert

Library Book Returns

All GCCS library books are due back **this week**. Students have been informed of the titles that they still have checked out. As a reminder, the library does not charge for overdue fines. However, students are responsible for the replacement cost of lost or damaged books. Please email Mrs. Slot (jslot@gccsmi.org) if you have any questions about the books that your student has checked out.

Game Club and Chess Club

We have a group of future 7th and 8th-grade students who want to be a part of a Game Club and/or a Chess Club. However, they need a leader. If you are interested in helping lead this group or know of someone who might be, Jason would love to schedule a meeting with you over the summer to discuss what a partnership might look like.
